

Christ's Church Women's Retreat

October 21-23

The date is set, you've registered and now it's time to plan for your weekend getaway. We look forward to serving you, worshipping with you, laughing with you, and encountering the Presence of God with you. Many prayers have been offered up for this weekend, and each name will be prayed over before you even arrive. We know that God has called you, appointed you and wooed you to experience His life changing power in these 3 short days. Fellowship, food, worship, activities, relaxation, and time with women will all be wrapped up as a gift for you to open and experience the deepest love of Jesus. You are His favorite!

2020 Women's Retreat
